Possible Points

Settling the Great Basin: New Settlements

(Use the maps on pages 9, 25, & 133 to complete the assignment.)

A. Locate and **label** each of the settlements listed here on the map. Write the name neatly! (15 points)

☞ (South Cottonwood) Murray, (New) Harmony, and Wellsville are not on the map on page 9. Use a big map of Utah to locate them. (Hint: Murray is by SLC, (New) Harmony is near Cedar City, & Wellsville is in Cache Valley.)

Fill the dot with **red** for settlements established in the first three years after the Mormons arrived.

- | | |
|--------------------------------------|-------------------------------------|
| 1. Salt Lake City – 1847 | 6. South Cottonwood (Murray) – 1849 |
| 2. Bountiful – 1848 | 7. Tooele – 1849 |
| 3. Farmington – 1848 | 8. Provo – 1849 |
| 4. Ogden – 1848 | 9. Manti – 1849 |
| 5. Granger (West Valley City) – 1848 | |

Fill the dot with **orange** for settlements established in the next three years.

- | | |
|---------------------------|----------------------------------|
| 10. Layton - 1850 | 17. Fillmore – 1851 |
| 11. Lehi – 1850 | 18. Parowan – 1851 |
| 12. Pleasant Grove – 1850 | 19. Cedar City – 1851 |
| 13. Springville – 1850 | 20. Harmony (New Harmony) – 1852 |
| 14. Payson – 1850 | 21. Mt. Pleasant – 1852 |
| 15. Brigham City – 1851 | 22. Ephraim – 1852 |
| 16. Nephi – 1851 | |

Fill the dot with **yellow** for settlements established in the three years after that.

23. Santa Clara – 1854
24. Moab – 1855
25. Beaver – 1856
26. Wellsville – 1856
27. Logan – 1856

B. Locate and **label** the following bodies of water on the map below. Then **color or trace** them with a blue pencil. (Only trace the rivers that you labeled!) (9 points)

- | | | |
|--------------------|-----------------------|------------------|
| 1. Bear Lake | 7. Logan River | 13. Sevier Lake |
| 2. Bear River | 8. Ogden River | 14. Sevier River |
| 3. Colorado River | 9. Provo River | 15. Utah Lake |
| 4. Great Salt Lake | 10. San Juan River | 16. Virgin River |
| 5. Green River | 11. San Pitch River | 17. Weber River |
| 6. Jordan River | 12. Santa Clara River | |

C. Valleys are surrounded by dotted lines. **Color** the valleys in green. (6 points)

D. Analyze your completed map and write a general statement about the location of the first settlements in Utah. What patterns do you detect? (Hint: landmarks, locations, distance...)

5 Points will be given for neat maps that can be easily read & analyzed by others (like your teacher!)
